Industry Competency Model Initiative: 

PROMOTING A SKILLED WORKFORCE

Supporting the development of worker skills aligned with competencies needed in the workplace.

Helping educators develop a skilled workforce.

Support curriculum evaluation & planning

Support career exploration and guidance

Helping businesses find and develop skilled workers.

Develop career paths with advancement

Identify competencies required for credentials

Aid worker recruitment, assessment and training

Identify area workforce skill gaps

Helping the workforce development community promote the employment and advancement of a strong workforce.

Competency

Capability to apply or use a set of related knowledge, skills, and abilities required to successfully perform “critical work functions” or tasks in a defined work setting.
