Website Highlights

Innovative Technology
Developed an Alexa skill available for Echo and other Alexa-enabled devices to “Find Me a Job”

Occupation Profile Redesign
A major overhaul, presenting occupation profiles in a friendlier and more customizable display

Career Videos
Launched 165 new career videos in 2017 covering 274 O*NET occupations and redesigned the Video Library

Commitment to Responsive Design
Added more portals and tools that are easily viewed on phones and tablets, including:
- Job Search for Ex-offenders
- Business Center
- Professional Association Finder
- Twelve Local Help Finder Tools, including the Workforce Development Board Finder and Job Club Finder

Redesigned Career and Industry Reports
Friendlier career and industry reports covering fastest-growing and highest-paying careers and industries, and careers with the largest employment; also easily viewed on phones and tablets

Enhanced Site Search
Improved internal site search to support more direct access to resources users most want

Career Advisors
Expanded curricula and resources for career counselors and other intermediaries, including a PowerPoint How-To Guide for Occupation Profile and printable Interest Exploration curriculum

New Mobile App Tools
Added 25 new tools and reports to the CareerOneStop Mobile app on both the App Store and Google Play

Business Finder Widget
Created code that allows users to easily add an interactive Business Finder tool to their own website

Expanded API Offerings
Added job description writer and state resources to the list of API offerings

My Reemployment Plan Integration
Incorporated My Reemployment Plan content into the Worker ReEmployment portal’s Job Search section, including content pages, downloadable worksheets, and video placement
What do our users say about CareerOneStop?

User Feedback
"I love the website, it’s very easy to navigate."

“Your site is awesome. Thank you for providing this resource.”

“I think [the website] is pretty inclusive. I’m very happy with the site and recommend it all the time to others.”

“I like that [the GetMyFuture] website is well organized with a lot of ideas on what you would like to be. This website can help you choose the right career.”

Intermediary Feedback
“The information and tools on CareerOneStop allow low-income students and job seekers to have access to the high-quality career, education and training information needed to make informed decisions.”

“When researching for [Warrior to Patriot Citizen], this was one of the first websites found. It is a wealth of information. Please take time to explore CareerOneStop.”
