mySkills myFuture is a CareerOneStop website.
mySkills myFuture can help you find your next career

Find New Career Options
• Enter the title of a job you’ve held, get a list of careers that use similar skills
• Learn more about careers that may be a good match for your skills
• Find job descriptions, salary information, common job tasks, and more

Learn About Your Skills
• Find your transferable skills—the ones you can carry from one job to another
• View a side-by-side chart of likely skill gaps from one job to another
• Find local programs where you can get training to fill your gaps

Explore Training Opportunities
• Once you’ve identified a career goal, link directly to training programs in your area
• Gain the skills you need to make the career move you want
• Find career-specific details about certifications, apprenticeships, and more

View and Apply for Open Jobs
• Link directly to job postings in your selected career
• Enter your state or ZIP code to see local job postings
